# Getting Started - Read Me First

Last Modified on 06/13/2023 10:48 am EDT

This guide provides links to the introductory topics that explain how to navigate and interact with aACE. It is intended for beginning users.

The topics listed below will walk you through how to navigate and interact with aACE.

Each guide may focus on a specific module, but these system conventions are the same throughout aACE — after you learn to work in one module, you can navigate in any module.

1. The aACE Main Menu (https://aace6.knowledgeowl.com/help/working-with-the-aace-main-menu)
2. List View (https://aace6.knowledgeowl.com/help/overview-of-the-list-view)
3. Detail View (https://aace6.knowledgeowl.com/help/detail-view)
4. Record Status Levels (https://aace6.knowledgeowl.com/help/overview-of-record-status-levels)
5. Notices (https://aace6.knowledgeowl.com/help/working-with-notices)
6. Record Logs (https://aace6.knowledgeowl.com/help/overview-of-record-logs)
