

# Reviewing Commissions Functionality in aACE

Last Modified on 01/02/2023 12:47 pm EST

This guide explains how to set up and pay commissions for your company. It is intended for advanced users and system administrators.

aACE's functionality for commissions is more like an engine than a flat 'calculation' method. This allows you to organize sophisticated payout structures to meet your organization's needs.

The process of setting up and paying commissions for your company should follow these steps:
