

Overview of LI Code Options

Last Modified on 11/15/2023 2:10 pm EST

This guide provides an overview of the LI Code Options module. It is intended for general users.

Your line item codes may include additional options when a customer purchases the item. For example, if you have a custom technology bundle, you can choose from a list of item options when building the custom order for your customer. aACE tracks these line item code options in the LI Code Options module.

To access this module, navigate from Main Menu > Order Setup > Details > > LI Code Options. This module only has a [list view](https://aace6.knowledgeowl.com/help/overview-of-the-list-view).
