

Transferring a DayBack Calendar License

Last Modified on 04/20/2026 12:32 pm EDT

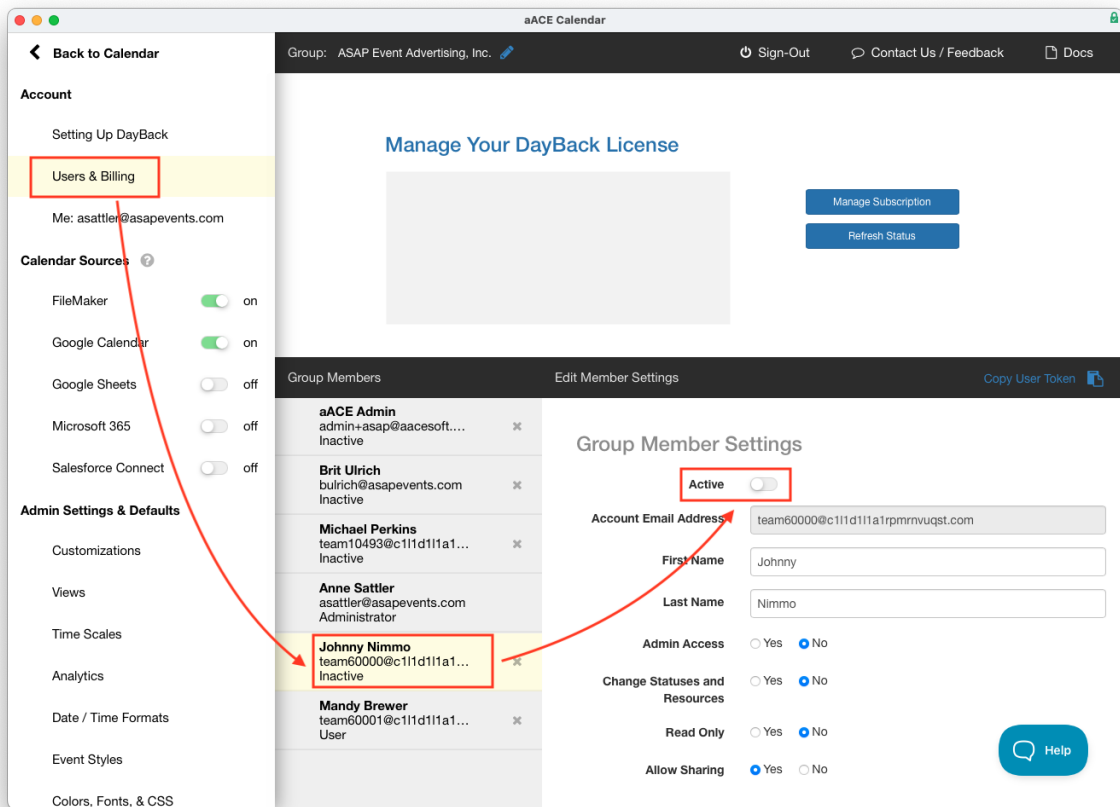

This guide explains transferring DayBack calendar licenses to new users. It is intended for system administrators.

You can transfer a DayBack calendar license from one user to another.

1. Log in to aACE and select **Calendar**.
2. Select **Administrator Settings**.

3. Locate the user you are deactivating and select the Active preference to disable it.

4. Have the user receiving the license log in to aACE and select **Calendar**.
5. Return to your calendar Administrator Settings, locate the user to activate, then select the Active preference to enable it.
This action might already be complete.
